

WISH YOU COULD PRACTICE YOUR JAPANESE WITH OTHER HUMAN BEINGS?

Well now you can!
The Colorado Springs Kaiwa Club was formed in 2022 to give people a place to speak 日本語 and make new friends. Real, non-robot friends.

We meet several times a month to practice conversation, trade stories, and maybe learn something new!

Saturday Conversation Group 土曜日の会話グループ

This intermediate conversation group gets together in a variety of locations around town in order to stretch our Japanese imagination and expand our vocabulary. Coffee shops, art museums, escape rooms, the zoo - all places we're aiming to go this year!

Thursday Beginner's Study Group 木曜日の初心者グループ

This group is for newbies who are tired of studying alone! We meet (typically at Library 21C) to go over questions, answers, and provide practical experience to go along with your self-study.
